Elvis Presley, Night Rider

Night rider, night rider You may think that it's the breeze Whispering through the lonely trees But it's only him a'flying round the bend As the day comes to that end

Night rider, night rider
He came riding to town
As the sun was going down
Saw my baby and he smiled her heart away
Now what will I do today

Cautioned my baby to stay at home Not to leave mama's side She laughed when I told her take care, take care Or you'll share in his midnight ride

Night rider, night rider Since he stole around the side I ain't had no peace of mind Night rider, won't you let my baby be Come on, send her back to me
