

# Elvis Presley, Once Is Enough

All you got is one life  
Living once can be rough  
But if you live every day all the way  
Once is enough

You can own just one suit  
Worn and torn at the cuff  
But if you're livin' the life that you love  
Once is enough

What's the good of reaching ninety  
If you waste eighty-nine  
You got one life so live it  
If you don't it's a crime

Life's a playful puppy  
You can grab by the scruff  
And if you live every sec' what the heck  
Once is enough

Never wait until tomorrow  
What if it never comes  
Life is a seven layer  
Don't you settle for crumbs

Life's a playful puppy  
You can grab by the scruff  
And if you live every sec' what the heck  
Once is enough

And if you live every sec' what the heck  
Once is enough  
And if you live every sec' what the heck  
Once is enough
