

# Elvis Presley, She Thinks I Still Care

(S. Duffy - D. L. Lipscomb)

Oh just because I asked a friend about her  
Just because I spoke her name somewhere  
Just because I rang her number by mistake today  
You know she thinks I, I still care

And just because I haunt the same old places  
With a memory I will linger everywhere  
Just because I'm not the happy guy I used to be  
Lord, you know, she thinks I still care

Well, if she's happy thinking I still need her  
Yeh, let that silly notion bring her cheer  
Oh how could she ever be so foolish  
Tell me where did she get, lord such an idea

Yeh, oh lord

Just because I asked a friend about her  
And you know, just because I spoke her name somewhere  
Just because, lord I saw her and went to pieces  
Lord, you know, she thinks I, lord, still care

You know, she thinks I, I still care

Lord, she thinks I still care  
Oh no she thinks I still care
