

Elvis Presley, Smorgasbord

Some like their women short
Some like 'em tall
I'll take them any size
'Cause I love them all

I'm just wild about smorgasbord
I got a cravin' for smorgasbord
A little kiss here, a little kiss there
That's smorgasbord

Mmm
Some take just apple pie
Some take just cake
I'll take the dish I please
Please the dish I take

I'm just wild about smorgasbord
I got a cravin' for smorgasbord
A little kiss here, a little kiss there
That's smorgasbord

Mmm, aah

Some like just southern belles
They got a one track mind
I go for all the bells
Except the wedding kind

I'm just wild about smorgasbord
I got a cravin' for smorgasbord
A little kiss here, a little kiss there
That's smorgasbord

Some like their women short
Some like 'em tall
I'll take 'em any size
'Cause I love them all, mmm

Some take just apple pie
Some take just cake
