## Elvis Presley, So Close Yet So Far

So close, yet so far from paradise I hold, you in my arms, in paradise Is mine, then you slip away Like a child at play, and here am I So close, yet so far from paradise

When you, are close to me, it's paradise We kiss, oh my love, paradise Is mine, then suddenly you're gone from me Like a floating star, I see, and here am I So close, yet so far from paradise

I reach out for you, but each time I do I always find you gone I know love is new, I'll take care of you In my arms is where you belong

Just a step away are we from paradise
Take my hand, come away to paradise
My love, I want you close to me
I need you desperately, oh here am I
Waiting for you
Here am I
Praying for you
Here am I, so close, yet so far from paradise
