## Elvis Presley, There Goes My Everything

(Dallas Frazier)

There goes my only possession There goes my everything

I hear footsteps slowly walking As they gently walk across the lonely floor And a voice is softly saying Darling this will be goodbye for evermore

There goes my reason for living There goes the one of my dreams There goes my only possession There goes my everything

As my memory turns back the pages I can see the happy years we've had before Now the love that kept this heart beating Has been shattered by the closing of the door
