Elvis Presley, There's No Place Like Home

(Public Domain)
There's no place like home
Well I say now home, home sweet home
There's no place like home
Wherever you wander
There's no place like home

Well I used to have a sweetheart To walk and talk with me But now I have no sweetheart What pleasure do I see

There's no place like home Well I say now home, home sweet home There's no place like home Wherever you wander There's no place like home

There's no place like home
