

# Elvis Presley, Wolf Call

Flip, flop a-kay-eye  
What a cutie pie I see, "(yeah yeah)"  
Oops shoop doo-wah  
Lips of honey that's for me "(yeah yeah)"

Shim sham shimmie  
Wanna howl and shout  
I might forget you baby  
There's no doubt

I saw you standing 'gainst the wall "(wall)"  
I whistled and I gave my all "(all)"  
Now don't tell me you don't fall  
For that wolf call

Just a little kiss'll put me in a whirl  
I'll never whistle dearie at another girl  
You love me well we'll have a ball "(ball)"  
Why do you try to stall "(stall)"  
Now don't tell me you don't fall  
For that wolf call  
For that wolf call  
For that wolf call
