

EMD, Youngblood

I guess I knew it, deep in my heart,
But I got lost in my echo.
In every minute, right from the start,
This time around I gotta let you know.
I've been searching high and low and I found a way to go.
There's no way to stop me now.
Call me youngblood,
But I ain't wasting no time, going higher higher.
Youngblood
I'm gonna follow my heart gonna walk the wire.
Through a minor sky I'm gonna see things eye to eye
I'm a youngblood, youngblood.
Call me youngblood.
I wanna live, just for the day,
I know I'm not forever young.
You know it's you and no one else,
This time I'm around I gotta let you know.
I've been searching high and low and I found a way to go.
There's no way to stop me now.
Call me youngblood,
But I ain't wasting no time, going higher higher.
Youngblood
I'm gonna follow my heart gonna walk the wire.
Through a minor sky I'm gonna see things eye to eye
I'm a youngblood
There's nothing in this world that I wouldn't do,
That I wouldn't do for you now.
You know it's true.
There's nothing in this world that I wouldn't do,
That I wouldn't do for you now.
You know it's true.
(Ohh)
Youngblood
Youngblood
Call me youngblood
But I ain't wasting no time going higher higher
Youngblood
I'm gonna follow my heart gonna walk the wire.
Through a minor sky I'm gonna see things eye to eye
I'm a youngblood
I'm a youngblood
Youngblood
Youngblood
Call me youngblood
