

# Emeli Sandé, Breathing Underwater

I believe in miracles  
Cause it's a miracle I'm here  
Guess you could call me spiritual  
Cause physical is fear

And it's safe to say the storms gone away  
And I'm dancing on the morning after  
Yes I'd love to stay, but my home is the other way  
And I miss the love and laughter

Something like flying  
Hard to describe it  
My God, I'm breathing underwater  
Something like freedom, freedom  
My God, I'm breathing underwater

Every moon and every star  
Knows who you are, you know  
So ever if gets too dark  
You never are alone

And it's safe to say we surrendered a day  
To pay back all the love you borrowed  
And hope that I had survived yesterday  
And today is jealous of tomorrow

Something like flying  
Hard to describe it  
My God, I'm breathing underwater  
Something like freedom, freedom  
My God, I'm breathing underwater
