

Emeli Sandé, Shine

let's keep it wheelin'
say how you feelin'
like you got the whole world behind you
and break all the rules of love who you choose
just make sure it's love that lights your fire

yes, you gotta let love lead you
and you gotta let love shine through
shine /4x

express yourself
it's good for your health
nothing to fear when truth walks beside ya
or sing you a song
sing all day long
let your heart lift you higher

yes, you gotta let love lead you
and you gotta let love shine through
shine /4x

light up
light up
light up your heart
light up
light up
light up your dark
light up
light up your heart
light up
light up
light up your dark
