# Eminem feat. Rihanna, Love The Way You Lie

## [Rihanna]:

Just gonna stand there and watch me burn But that's alright because I like the way it hurts Just gonna stand there and hear me cry But that's alright because I love the way you lie I love the way you lie

### [Eminem]:

I can't tell you what it really is I can only tell you what it feels like And right now there's a steel knife in my windpipe I can't breathe but I still fight while I can fight As long as the wrong feels right it's like I'm in flight High of a love drunk from my hate It's like I'm huffing paint and I love it the more that I suffer I suffocate And right before im about to drown she resuscitates me She fucking hates me and I love it Wait, where you going, I'm leaving you No you ain't come back We're running right back Here we go again It's so insane Cause when it's going good it's going great I'm Superman with the wind in his back She's Lois Lane but when it's bad it's awful I feel so ashamed, I snap, Who's that dude I don't even know his name I laid hands on her I'll never stoop so low again I guess I don't know my own strength

## [Rihanna]:

Just gonna stand there and watch me burn But that's alright because I like the way it hurts Just gonna stand there and hear me cry But that's alright because I love the way you lie I love the way you lie I love the way you lie

#### [Eminem]:

You ever love somebody so much you can barely breathe When you barely You meet And neither warn you even know what hit him Got that warm fuzzy feeling Yeah, Cheers, Just to get him Now you're getting fucking sick of looking at him You swore you never hit him, never do not to hurt him Now you really reach each other's space, spewing venom and these words When you spit him, you push pull each other's, hands scratch, claw, bit him, throw him down, pin h So lost in the moments When you hit him

It's the rage that took over it controls you both So they say it's best to go your separate ways Guess that they don't know Cause today that was yesterday Yesterday is over it's a different day

Sound like broken records, plan over, but you promised her

Next time you'll show restraint You don't get another chance

Life is no Nintendo game but you lied again

Now you get to watch her leave out the window Guess that's why they call it windowpain

## [Rihanna]:

Just gonna stand there and watch me burn
But that's alright because I like the way it hurts
Just gonna stand there and hear me cry
But that's alright because I love the way you lie
I love the way you lie
I love the way you lie

### [Eminem]:

Now I know we said things, did things that we didn't mean And we fall back into the same patterns, same routine But your temper's just as bad as mine is You're the same as me But when it comes to love you just blinded Baby please come back It wasn't you baby it was me Maybe our relationship isn't as crazy as it seems Maybe that's what happens when a tornado meets a volcano All I know is I love you too much to walk away that Come inside pick up your bags off the sidewalk Don't you hear sincerity in my voice when I talk Told you this is my fault Look me in the eyeball Next time I'm pissed I'll aim my fist at the dry wall Next time there will be no next time I apologize even know I know it's lies I'm tired of the games, I just want her back I know I'm lie She ever tries to fucking leave again I'm tie to the bed and set the house on fire

#### [Rihanna]:

Just gonna stand there and watch me burn
But that's alright because I like the way it hurts
Just gonna stand there and hear me cry
But that's alright because I love the way you lie
I love the way you lie
I love the way you lie
