[Chorus: Eminem]

The type of shit that causes mass confusion and drastic movement of people actin stupid

[Kon Artis]

I come to every club with intention to do harm With a prosthetic arm and smellin like Boone's Farm Hidin under tables as soon as I hear alarms Paranoid thief that'll steal from his own moms Connivin Kon, Artis with a bomb Strapped to my stomach screamin, "Let's get it on!" A lush that love to drink, drunk drivin a tank Rollin over a bank, cops see me and faint It's drastic, I'm past my limit of coke I think I'll up my high by slittin your throat Push your baby carriage into the street, 'til it's mince meat Your mens been beat the minute I step onto your street This is fight music!

[Bizarre]

You know why my hands are so numb? (No) Cause my grandmother sucked my dick and I didn't cum (oh) Smacked this whore for talkin crap (bitch) So what if she's handicapped, the bitch said Bizarre couldn't rap I f**kin hate you; I'll take your drawers down and rape you While Dr. Dre videotapes you (hell yeah!) Satan done got me on this song Eatin a hot dog readin the Holy Qu'ran, while I'm on the john Tired of wearin this yellow thong Take it back Sisgo, you know where it belongs (thong th-thong thong) Now here's a gun, I'll put it in your palm Now go over there and blow up Dru Hill's arms F**k your love songs

[Chorus]

[Proof]

Just bring who you gon' bring on, who you gon' swing on? I'm King Kong, guns blow you to king-dom come Show you machine gun funk Sixteen m-16's and one pump [click-clack] The snub in my paw, shove it in your jaw Have you runnin out this f**kin club in your drawers We lovin the broads, there's nothin to applaud But f**k it it's all good, the hood is up in The Source It's fight music

[Swifty McVay]

I'm a nigga that loves scuffles

And won't hesitate to sock you again for swollen knuckles

I'm like that, catch a nigga like bear traps

Blow his head back right in front of the precint sayin, " You hear that? "

I slap your freak, bump you and won't speak

If you step on my feet, you get drowned in your own drink

I suffocated my shrink just for talkin

Came back and f**ked up his pallbearers and made 'em drop his coffin

It's fight music!

[Kuniva]

These beads I'm swingin is stingin 'em
See all these niggaz? When I step in the club, I'm bringin 'em
If any nigga lookin too hard, we Rodney King'n 'em
Malice green to them and gasolinin 'em with premium
Light a cigarette, flick it at 'em or spit it at 'em
Hold up a picture of his family and kick it at him
Blast while you right hookin, right when your wife's lookin
F**k fight music, bitch this is losin your life music!

[Eminem]

If I could capture the rage of today's youth and bottle it Crush the glass from my bare hands and swallow it Then spit it back in the faces of you racists and hypocrites who think the same shit but don't say shit You Liberace's, Versace's, and you nazis Watch me, cause you thinkin you got me in this hot seat You motherf**kers wanna JUDGE me cause you're NOT me You'll never STOP me, I'm TOP speed as you POP me I came to save these new generations of babies from parents who failed to raise 'em cause they're lazy to grow to praise me I'm makin 'em go crazy That's how I got this whole nation to embrace me And you fugazi if you think I'ma admit wrong I cripple any hypocritic critic I'm sic'd on And this song is for any kid who gets picked on A sick song to retaliate to, and it's called...

[Chorus]

It's fight music!
