The waves keep on crashing on me for some reason But your love keeps on coming like a thunderbolt Come here a little closer 'Cause I wanna see you, baby, real close up (Get over here) You've got me feeling hella good So let's just keep on dancing You hold me like you should So I'm gonna keep on dancing Your performance deserving a standing ovation And who would have thought it'd be the two of us So don't wake me if I'm dreaming 'Cause I'm in the mood come on and give it up You've got me feeling hella good So let's just keep on dancing You hold me like you should So I'm gonna keep on dancing You've got me feeling hella good So let's just keep on dancing You hold me like you should So I'm gonna keep on dancing Ooh yeah yeah Ooh yeah yeah You've got me feeling hella good So let's just keep on dancing You hold me like you should So I'm gonna keep on dancing You've got me feeling hella good So let's just keep on dancing You hold me like you should So I'm gonna keep on dancing Keep on dancing
