

Eminem, Number 1

THIS IS A NELLY SONG

you betta watch out
who yo'
talkin' bout
runnin'
yo mouth
like ya
know me
you gonna
**** around
and check
why surely they
just call me show me.
why 1 on 1
ya can't hold me
if ya last name was haynes
only way
ya wear me out
is stretch my name on ya
pants no resident
of france but
ya swear i'm
from paris 106 karats told
'em naw
that's pure rich
just tryin' to compare
this ma
chain to yo' chain
i'm like spirit and motorola
no service
outta ya range
ya outta ya brains thinkin'
that i'mma
shout out ya name
you gotta come up wit betta
ways to
catch ya fame only
pressure's you's applyin is time to
ease off
fore i hit
ya from tha blind side and takin' ya sleeves off
as much
as we's lost
still hard ta please
boss don't be lyin' cryin' and
***** and
suckin' suck it up
as a loss cuz yo acts is wack
ya whole label is
wack and matta fact eh,eh, eh, hold that.
