Eminem, Open Mic (Feat. Thyme)

Hey yo, what's up man? Hey, yo you been here all day man

Ya'll been here every weekend man,

I don't ever get a chance to rap first man!

That's cause you whack!

What?!? I ain't whack nigga, I got some raps for all ya'll

Nigga my raps fresh, I'ma bust my raps first,

you can bust yours after me if you want to

No no man, I'm going first,

I'm getting tired of everybody wanted to go first man

You always rap first,

I'm rapping I don't care what none of ya'll say,

I'm fresh, I'm fresh

Thyme:

Ayo, who the fuck passed you the mic and said that you can flow?

Point him out man I wanna know

Who the fuck passed you the mic and said that you can flow?

(scratched in) I wanna know, I wanna know

I said who the fuck passed you the mic and said that you can flow?

Point him out bitch I wanna know

Who the fuck passed you the mic and said that you can flow?

(scratched in) I wanna know, I wanna know

Verse 1: Eminem

I'll have you taken back to Christ when you sacrifice

The way you acting slice when I tear your back with knifes

Jacking life's of MC's, now I'm set to launch a plan

For blowing up the stage with illegal contraband

A stomped your man so unless you want what he got

You better set the mic down, I'm steaming like a teapot

I'll make the tea hot, people get in my face and ask

If I wanna battle, then I chase them in a Jason mask

It's an amazing task to battle with success

I never gave a fuck, now I give a fuck less

And in a slug fest I get physical like physicians

Invisible like magicians with mystical mic traditions

Wicked wizardry, like a sorcerér and no remorse for you

When I torture you throughout the course of my orchestra

So feel the force of my spiritual images

Slicing up an enemy's appendages till he hemorrhages

My skin itches every time a rapper recites

And when he's through with his verse, I'm all covered in flea bites

You wanna see fights I got a match for you

You couldn't flip shit playing in toilets with a spatula

Chorus: Thyme

Ayo, who the fuck passed you the mic and said that you can flow?

Point him out man I wanna know

Who the fuck passed you the mic and said that you can flow?

(scratched in) I wanna know, I wanna know

Ayo, who the fuck passed you the mic and said that you can flow?

Point him out bitch I wanna know

Who the fuck passed you the mic and said that you can flow?

(scratched in) I wanna know, I wanna know

Verse 2: Eminem

You bitches get a hysterectomy disrespecting me

You wanna feel the full effect of me, hand a tech to me

Intellectually superior, I'll make the whack wearier

Inferior, deterior rate, like bacteria

Materially, killing serially, clearly you'll see

How much in fear when u hear me you'll be

Shiver and shake, guiver and guake

Bite a rhyme and rip it off then stiffer and ache, whither and break

You slithering snake, gibbering fake, fibbering flake

I'll twist you into a different shape

And toss you in Michigan Lake, for fisherman sake

If this is a dream you'd wish you can wake

Every dis you can take, personal

We ain't friends trying to make amends

If you ain't ever stole a gate you can take a fence

I make intense masterpieces and smash to pieces Your last releases, you bad diseases, that's the reason

I'm showing you the proper way to operate a mic

So pass it like a hot potato

I've never been less than clever and fresh

Severing flesh of fools who never impressed I can confess

Chorus: Thyme

Who the fuck passed you the mic and said that you can flow?

Point him out man I wanna know

Who the fuck passed you the mic and said that you can flow?

(scratched in) I wanna know, I wanna know

Ayo, who the fuck passed you the mic man and said that you can flow?

Point him out bitch I wanna know

Who the fuck passed you the mic and then said that you can flow?

(scratched in) I wanna know, I wanna know

Whhhooo the fuck passed you the mic and said that you can flow?

Point him out!! I wanna know

Who the fuck passed you the mic and said that you can flow?

(scratched in) I wanna know, I wanna know

Ayo let me get that mic man

Who the fuck passed you the mic and said that you can flow?

Who the fuck passed you the mic, who the fuck passed you the mic!!

I got the rhymes bitch, I'll kick that shit
