

Eminem, Pain

i once had a boyfriend,
he wasnt true to me,
when he toar me up inside
i thought it couldnt be,
chorus
so why, why do you tear me up,
why dont you keep my trust,
why dont you love me much
so whys the pain,
the pain is so deep inside
its so very hard to hide,
i thought it couldnt be
but now i see
you never really love me,
you never really cared,
so why should i even try,
to think of the things we shared,
chorus
what more do you want from me,
i gave you all the things i owed
i gave you all my heart and soul,
i gave you everything i wanted too
chorus
but now i see
