

# Eminem, Papa Doc Vs Shorty Mike (8 Mile Frees

Your lyrics are shitty,  
like when I cop a squat,  
who told you you can fuck  
with the mighty Papa Doc,  
for steppin' on this stage  
I should've rocked your knot,  
don't get too close  
or you might get shot.  
Yo nigga call your momma  
and tell her come get ya,  
and if she knew it  
she could bring her midget pops with her.  
I put a hole on your head like a 12 guage  
lookin' like kriss-kross jiggity jump your ass on stage.  
Cuz I'm a grown man  
son I'll slaughter you,  
make yo mom wish  
that her fat ass aborted you.
