

Eminem, Rap Game (Eminem's Verse)

I'ma get snuffed,
Cuz I ain't said enough to pipe down
I'll pipe down
When the White House just wiped out
When I see that little Cheney dyke get sniped out,
Lights out, bitch,
Adios, goodnight, BLAUGH!
Now put that in your little pipe and wipe down,
Think for a minute cuz the hype has died down,
That I won't go walkin in the Oval Office right now,
And flip whatever ain't tied down upside-down,
I'm all for America,
Fuck the government,
Tell that C. Delores Tucker slut to suck a dick
Motherfucker ducked, what the fuck?
Son of a bitch!
Take away my gun, I'm gonna tuck some other shit,
Can't tell me shit about the tricks of this trade,
Switchblade, with a little switch to switch blades,
And switch from a 6 to a 16-inch blade,
Shits like a samurai sword, or sensai
Shit just don't change to this day
I'm this way, still tell that ut-slay itch-bay
Uck-say my ick-day, 'scuse my ig-pay atin-lay
But uck-fay you ig-pay
