

Eminem, Shake That(Fet. Nate Dog)

[Eminem]

Whoooo

Shady, Aftermath

Look at that bitch, ah shit, god damn!

[Eminem & Nate Dogg]

There she goes shakin' that ass on the floor

Bumpin' and grindin' that pole

The way she's grindin' that pole I think I'm losin' control

[Eminem]

Get buzzed, get drunk, get crunked, get fuuucked up

Hit the strip club, don't forget ones, get your dick rubbed

Get f**ked, get sucked, get wasted, shit faceded, pasted

Plastered, puke drink up get a new drink

Leave the bathroom sink [puke], wipe your shoe clean got a routine goin'

Still got a few chunks on them shoe strings shoin'

I was dehydrated till the beat vibrated

I was revived as soon as this bitch gyrated

Them hips and lickin' lips and that was it

I had to get Nate Dogg here to sing some shit

[Nate Dogg]

2 to the 1 from the 1 to the 3

I like good pussy and I like good trees

Smoke so much weed you wouldn't believe

And I get more ass than a toilet seat

3 to the 1 from the 1 to the 3

I met a bad bitch last night at the D

Let me tell you how I made her leave with me

Conversation and hennesy

I've been to the motherf**kin moutain top

Heard motherf**kers talk seen em' drop

If I ain't got a weapon I'ma pick up a rock

And when I bust your ass I'm gone continue to rock

Get your ass off the wall with your two left feet

It's real easy just follow the beat

Don't let that fine girl pass you by

Look real close cause strobe lights lie

Were gonna have a party, turn the music up

Let's get it started, go ahead shake ya butt

I'm lookin for a girl with a body and sexy strip

Wanna get it poppin' baby step right up

Some girls they act retarded, some girls about it bout it

I'm lookin for a girl that will do whatever the f**k

I say everyday she be givin' it up

Now Shake that ass for me, shake that ass for me

C'mon girl shake that ass for me, shake that ass for me

Awww girl shake that ass for me, shake that ass for me

C'mon girl shake that ass for me, shake that ass for me

[Eminem]

I'm a menace, a dentist, an oral hygienist

Open your mouth for about four or five minutes

Take a little bit of this flouride rininse

Swish but don't spit it, swallow and now finish, Yeahhh!

Me and Nate D-O-Double G lookin for a couple Bitches

With some Double D's pop a little chapagne and a couple E's

Slip it in her bubbly, wheee fittin ta have a party
