Eminem: Lose Yourself

8 Mile Soundtrack

Look, if you had one shot, and one opportunity

To seize everything you ever wanted

One moment

Would you capture it or just let it slip? Yo

His palms are sweaty knees weak arms are heavy

There's vomit on his sweater already, mom's spaghetti

He's nervous, but on the surface he looks calm and ready

To drop bombs, but he keeps on forgetting

What he wrote down, the whole crowd goes so loud

He opens his mouth, but the words won't come out

He's chokin' how everybody's jokin' now

The clocks run out, time's up over blough!

Snap back to reality, Oh there goes gravity

Oh, there goes Rabbit, he choked

He's so mad, but he won't give up that easy, no

He won't have it, he knows his whole back's to these ropes

It don't matter, he's dope

He knows that, but he's broke

He's so stacked that he knows

When he goes back to this mobile home, that's when it's

Back to the lab again, yo, this whole rhapsody
