

# Eminem, The Real You

i miss my friend  
why did it have to end  
all i do is cry  
and i wanna know why  
all you did was lie  
i want these feelings to go away  
cuz i dont wanna feel this way  
its only you on my mind  
people say that i am blind  
for not seeing the real you  
and all the pain you put me through  
i honestly feel the way i say  
and the feelings wont stop or go away  
so no matter what i do  
i am still in love with you
