

Eminem, Till' I Collapse(Edited)

(background) yo left, yo left, yo left, right, left
sometimes you just feel tired
you feel weak
and when you feel weak
you feel like you wanna just give up
but you gotta search within you
try find that inner strength
just pull that *edit* outta you
ang get that motivation to not give up
and not be a quitter no matter how bad you
wanna just fall flat on your face and collapse..
Till i collapse im spillin these raps, long as you feel em
to the day that i drop, you'll never say that im not killin em
cuz when i am not, then imma stop pinnin em
and i am not hip hop and im just not Eminem
subliminal thoughts when imma stop sendin' them
women are caught in webs, spin em and hock venom
adrenaline shots of pennacillin could not get the illin' to stop
amoxacillin is not real enough.

The criminal cop killin', hip-hop villain
a minimal swap to cop millions of Pac listners,
you're comin' with me, feel it or not,
you're gonna fear it like i showed ya the spirit
of God lives in us.

You hear it a lot, lyrics to shock.

Is it a miracle or am i just a product of pop fizzin up?

Fo shizzle my wizzle, this is the plot, listen up..

You bizzles forgot, slizzle does not give a *edit*

till the roof comes off, till the lights go out
till my legs give out, cant shut my mouth
till the smoke clears out, and my high wear out
imma rip this *edit*, till my bones collapse
till the roof comes off, till the lights go out
till my legs give out, cant shut my mouth
till the smoke clears out, and my high wear out
imma rip this *edit*, till my bones collapse...

music is like magic

there's a certain feeling you get

when you real and you spit

and people are feeling your shit

this is your moment

and every single minute you spend

trying to hold on to it

cause you may never get it again

so while you're in it

try and get as much shit as you can

and when your run is over, just admit when it's at its end

cuz i'm at the end of my wits with half the*edit* gets in,

i got a list, here's the order of my list that it's in

it goes Reggie, Jay-Z, 2pac and Biggie

Andre from outkast, J, Kurupt, Nas, and then me

but in this industry i'm the cause of a lot of envy

so when i'm not put on this list, this*edit* does not offend me

thats why you see me walk around like nothing's botherin me

even though half you people got a *edit* problem with me

you hate it but you know respect you got to gimme

the press' wet dream, like bob and your whitney

Nate hit me

till the roof comes off

till the lights go out

till my legs give out

cant shut my mouth

till the smoke clears out

and my high wear out

imma rip this *edit*
till my bone collapse
till the roof comes out
till the lights go out
till my legs give out
cant shut my mouth
till the smoke clears out
and my high wear out
imma rip this *edit*
till my bone collapse
soon as a verse starts i eat at an mc's heart
what is he thinking? about to go against me smart
and its absurd how people hang on every word
ill probly never get the props i feel i ever deserve
but ill never be served
my spot is forever reserved
if i ever leave earth
that will be the death of me first
cuz in my heart of hearts i know nothing
could ever be worse
thats why im clever when i put together every verse
my thoughts are sparatic
i act like im an addict
i rap like am addicted to smack
like im kim mathers
but i dont wanna go forth and back
at constant battles
the fact is i would rather sit back
and bomb some rappers
so this is like a full blown attack
im launching at 'em
the track is on some battle
and rats who want some static
cause i dont really think that the fact that i'm slim matters
a plaque in platinum status is whack if im not the baddest
till the roof comes off
till the lights go out
till my legs give out
cant shut my mouth
till the smoke clears out
and my high wear out
imma rip this *edit*
till my bone collapse
till the roof comes off
till the lights go out
till my legs give out
cant shut my mouth
till the smoke clears out
and my high wear out
imma rip this *edit*
till my bone collapse
until the roof, until the roof
the roof comes off, the roof comes off
until my legs, until my legs give out from underneath me
I, i will not fall
i will stand tall
feels like no one can defeat me
