

# Eminem, Till I Collaspe

(background) yo left, yo left, yo left, right, left  
sometimes you just feel tired  
you feel weak  
and when you feel weak  
you feel like you wanna just give up  
but you gotta search within you  
try find that inner strength  
just pull that shit outta you  
ang get that motivation to not give up  
and not be a quitter no matter how bad you  
wanna just fall flat on your face and collapse..  
Till i collapse im spillin these raps, long as you feel em  
to the day that i drop, you'll never say that im not killin em  
cuz when i am not, then imma stop pinnin em  
and i am not hip hop and im just not Eminem  
subliminal thoughts when imma stop sendin' them  
women are caught in webs, spin em and hock venom  
adrenaline shots of pennacillin could not get the illin' to stop  
amoxacillin is not real enough.

The criminal cop killin', hip-hop villain  
a minimal swap to cop millions of Pac listners,  
you're comin' with me, feel it or not,  
you're gonna fear it like i showed ya the spirit  
of God lives in us.

You hear it a lot, lyrics to shock.

Is it a miracle or am i just a product of pop fizzin up?

Fo shizzle my wizzle, this is the plot, listen up..

You bizzles forgot, slizzle does not give a FUCK!

till the roof comes off, till the lights go out

till my legs give out, cant shut my mouth

till the smoke clears out, and my high wear out

imma rip this shit, till my bones collapse

till the roof comes off, till the lights go out

till my legs give out, cant shut my mouth

till the smoke clears out, and my high wear out

imma rip this shit, till my bones collapse...

music is like magic

there's a certain feeling you get

when you real and you spit

and people are feeling your shit

this is your moment

and every single minute you spend

trying to hold on to it

cause you may never get it again

so while you're in it

try and get as much shit as you can

and when your run is over, just admit when it's at its end

cuz i'm at the end of my wits with half the shit gets in,

i got a list, here's the order of my list that it's in

it goes Reggie, Jay-Z, 2pac and Biggie

Andre from outkast, J, Kuruption, Nas, and then me

but in this industry i'm the cause of a lot of envy

so when i'm not put on this list, this shit does not offend me

thats why you see me walk around like nothing's botherin me

even though half you people got a fuckin' problem with me

you hate it but you know respect you got to gimme

the press' wet dream, like bob and your whitney

Nate hit me

till the roof comes off

till the lights go out

till my legs give out

cant shut my mouth

till the smoke clears out

and my high wear out

imma rip this shit  
till my bone collapse  
till the roof comes out  
till the lights go out  
till my legs give out  
cant shut my mouth  
till the smoke clears out  
and my high wear out  
imma rip this shit  
till my bone collapse  
soon as a verse starts i eat at an MC's heart  
what is he thinking? about to go against me smart  
and its absurd how people hang on every word  
ill probly never get the props i feel i ever deserve  
but ill never be served  
my spot is forever reserved  
if i ever leave earth  
that will be the death of me first  
cuz in my heart of hearts i know nothing  
could ever be worse  
thats why im clever when i put together every verse  
my thoughts are sparatic  
i act like im an addict  
i rap like am addicted to smack  
like im kim mathers  
but i dont wanna go forth and back  
at constant battles  
the fact is i would rather sit back  
and bomb some rappers  
so this is like a full blown attack  
im launching at 'em  
the track is on some battle  
and rats who want some static  
cause i dont really think that the fact that i'm slim matters  
a plaque in platinum status is whack if im not the baddest  
till the roof comes off  
till the lights go out  
till my legs give out  
cant shut my mouth  
till the smoke clears out  
and my high wear out  
imma rip this shit  
till my bone collapse  
till the roof comes off  
till the lights go out  
till my legs give out  
cant shut my mouth  
till the smoke clears out  
and my high wear out  
imma rip this shit  
till my bone collapse  
until the roof, until the roof  
the roof comes off, the roof comes off  
until my legs, until my legs give out from underneath me  
I, i will not fall  
i will stand tall  
feels like no one can defeat me
