

Eminem, Time of My Life

When they come like left for day
I bet not in my head
And now I wanna be bigger, bein' here with you
It's not so hard to be
I can see in my dream, I know I'm gonna be better
My friends always say

[Hook]

My friends always say..ey..ae.
That every thing will be ok
But it don't always work out that way
Show in my famagam'
Me living in, cuz I'll remember when baby

[Chorus]

I am.., the top of my life
Everything is right, with you
After all that I'd been through(yeah)
