

# Eminem, Venger's A Big Fat Bitch

(dr dre)

Tell yo 'bout venger  
Straight out of michigan  
Slim shady

(eminem)

Venger is a big fat bitch  
He's the biggest bitch I know  
And he stinks like shit  
Remember back then,  
The days when he was skinny?

(dr dre)

Yo.

(eminem)

Now he's fat  
And he still thinks he's pretty.  
He's such a slag  
People who smoke grass  
Are saying &quot;shit.  
Goddamn, that's a big fat ass&quot;  
F\*\*k that slut  
He's a big fat trick  
And I still won't suck  
His ten foot dick  
Slim shady  
I'm a crazy thing  
Down with dr dre  
With a darkhaven swing

(dr dre)

Yo

(eminem)

I don't know much  
But I know this shit  
Venger is a big fat bitch

(chorus)

Venger is a big fat bitch  
Venger is a big fat bitch  
Venger is a big fat bitch  
He's a red eyed, stink ass, horn headed bitch

(dr dre)

Uh huh  
Dr dre  
Check it  
My homie shadow demon  
Lives up the block  
He's got a big fat master  
Who sucks my cock  
Non stop, he's a sight to see  
A real evil bitch  
Who does right by me  
He might be the best slut  
In the mountains  
Ten times a week  
But shit,  
Who's countin'?  
I'm astounded 'bout the things he does  
He used to suck in each,  
F\*\*k in each town there ever was

He ain't a slut  
He's a super groupie  
And I'd pass that bitch  
Around like a doobie  
I don't know much  
But I know this  
Venger's a big fat bitch

(chorus)

(dr dre)  
Oh shit  
Tell 'em, em

(eminem)  
I'm slim shady  
That name's really cool  
I might be a f\*\*k  
But I ain't no fool

(dr dre)  
Uh uh

(eminem)  
I just moved from darkhaven to boulder  
'cause venger's trippin' on kelek's own shoulder  
He's just colder 'cause I'm like that  
Little freak ass pain  
But you know that

(dr dre)  
Yo

(eminem)  
I've been followin' tracks  
Like a puppy  
Old horn head  
Doesn't take shit from yuppies  
Word up  
I am slim shady  
To a mother f\*\*king t is the place to be

(dr dre)  
Yo

(eminem)  
I don't know much  
But I know this  
Venger is a big fat bitch

(chorus)

(dr dre)
