

Eminem, We The Realest Label (Invasion)

so lets get down to business
i dont got no time to play around
what is this?
what is this?
its the invasion!
the infiltration
I got 50 cent
I got G-unit
D-twizzy in this bitch
with Obie Trice
So watch what you say
'fore you call our name
cuz you say one more thing
an' it wont be nice
Here we go
I shoulda known
I was bound to get pulled
into some bullshit
sooner or later
you little haters
were to jealous of us to love us
you hate it
G-unit made it
now Obie's comin'
D-twizzy's comin'
your sick to your stomach
50 percent of us 50 cent
the other 50 percent of it's
whos color of skin it is
but if your even considerin'
takin our label down
you better find a building
an' fly a fuckin plane into it
but i aint tryin' to get to intricate into it
im just tryin' to give you a little hint
for your own benefit
cuz then its gonna get to the point
where it esclates into some other shit
then im'a flip
then im'a get to
stompin in my airrr force onezzz (air force ones)
hope you able to tell if its
two pairrrrs(pairs) or its one
its just gon' feel like
so many feet kickin'
do you think nike just made these into cleats in this shoe?
I dont know what it is or what it could be
but i get a woodie
when these pussies try to push me
thinkin' they gon' put me in a position to pick on me
y'all tickle me pink
I think i'd just rather have pink tickle me(hehehe)
hickory dickory dock
tickety tock tickety
a little bit of the diggety dock diggety
mixed with a little bit of the jigga ch jigga
with a small pinch of biggie
look at me im just the bomb diggedy
(CHORUS)
