

# Eminem, Without Me (Dirty Version)

[Obie Trice]

"Obie Trice, Real Name No Gimmicks..."

[Eminem]

Two trailer park girls go round the outside, fuck me  
round the outside, round the outside. fuck me  
Two trailer park girls go round the outside, fuck me  
round the outside, round the outside. oh the cum feels good!

[Female Voice]

"Oooooohhhh!" lick my pussy, oh keep going!

[Eminem]

Guess who's back, back again  
Shady's back, tell a friend  
Guess who's back, guess who's back,  
guess who's back, guess who's back,  
guess who's back, guess who's back,  
guess who's back...

(Nah nah nah nah na na nah)

I've created a monster, cuz nobody wants to  
See Marshall no more they want Shady  
I'm chopped liver

Well if you want Shady, this is what I'll give ya  
A little bit of weed mixed with some hard liquor  
Some vodka that'll jumpstart my heart quicker  
Then a shock when I get shocked at the hospital  
By the Dr. when I'm not co-operating  
When I'm rocking the table while he's operating (Hey!)  
You waited this long now stop debating  
Cuz I'm back, I'm on the rag and ovulating  
I know that you got a job Ms. Cheney  
But your husbands heart problem is complicating  
So the FCC won't let me be  
Or let me be me so let me see  
They've tried to shut me down on MTV  
But it feels so empty without me  
So, come on dip, bum on your lips  
Fuck that cum on your lips and some on your tits you lesbians  
And get ready cuz this shit's about to get heavy cum cum cum  
I just settled all my lawsuits, "Fuck you Debbie!" i want you debby my dick  
Now this looks like a job for me  
So everybody just follow me  
Cuz we need a little controversy,  
Cuz it feels so empty without me.  
I said this looks like a job for me  
So everybody just follow me  
Cuz we need a little controversy,  
Cuz it feels so empty without me.  
Little hellions, kids feeling rebellious  
Embarrassed, their parents still listen to Elvis  
They start feeling like prisoners helpless,  
Til someone comes along on a mission and yells "bitch"  
A visionary, vision of scary, could start a revolution,  
Pollutin' the air waves a rebel  
So just let me revel and bask,  
In the fact that I got everyone kissing my ass  
And it's a disaster such a catastrophe  
For you to see so damn much of my ass  
you ask for me?  
Well I'm back (da-da-na-na-da-nanana) fix your bent antenna  
Tune it in and then I'm gonna enter  
In up under your skin like a splinter  
The center of attention back for the winter  
I'm interesting, the best thing since wrestling  
Infesting in your kids ears and nesting  
(announcer voice)

Testing &quot;Attention Please&quot;  
Feel the tension soon as someone mentions me  
Here's my 10 cents my 2 cents is free  
A nuisance, who sent, you sent for me?  
Now this looks like a job for me  
So everybody just follow me  
Cuz we need a little controversy,  
Cuz it feels so empty without me.  
I said this looks like a job for me  
So everybody just follow me  
Cuz we need a little controversy,  
Cuz it feels so empty without me.  
A tisk-it a task-it,  
I go tit for tat with anybody who's talking this shit that shit  
Chris Kirkpatrick, you can get your ass kicked  
Worse than them little Limp Bizkit bastards,  
And Moby, you can get stomped by Obie,  
You 36 year old bald headed fag blow me  
You don't know me, you're too old  
Let go, it's over, nobody listens to techno  
Now let go, just give me the signal  
I will be there with a whole fist full of new insults  
I've been dope, suspenseful with a pencil  
Ever since Prince turned himself into a symbol  
But sometimes the shit just seems,  
Everybody only wants to discuss me  
So this must mean I'm disgusting,  
But its just me I'm just obscene  
Though I'm not the first king of controversy  
I am the worst thing since Elvis Presley,  
To do Black Music so selfishly  
And use it to get myself wealthy (Hey)  
Here's a concept that works  
20 million other white rappers emerge  
But no matter how many fish in the sea  
It'll be so empty without me.  
Now this looks like a job for me  
So everybody just follow me  
Cuz we need a little controversy,  
Cuz it feels so empty without me.  
I said this looks like a job for me  
So everybody just follow me  
Cuz we need a little controversy,  
Cuz it feels so empty without me,
