When tha worst comes to worst

My peoples come first

When tha worst comes to worst

My peoples come first

When tha worst comes to worst

My peoples come first

When tha worst comes to worst

My peoples come first

trees Thirston Howl, A Long and Wordsworth

My mother smoked grass I had a premature birth

I'm just a nerd cursed with badly disturbed nerves

Who wanna be the one to step up and get served first

Ninety nine percent of aliens prefer mercury

Come here to rule the planet, storm on your astroturf

I hid a secret message inside of a word search

With smeared letters, runnin together and blurred spurts

Hang with male shovenest pigs and perverts

Who point water pistols at women and squirt shirts

Been a bad boy since diapers and Gerbers

My first words were bleep bleep and curse curse

Never had shit and I still don't deserve dirt

My breath still stinks, and I'm on my third cert

Digging out my stitches, and hollering nurse nurse

You said this shot would numb me this shit just hurts worse

When tha worst comes to worst

My peoples come first

When tha worst comes to worst

My peoples come first

When tha worst comes to worst

My peoples come first

(Eminem)

I'll puke, eat it, and freak you (eww)

Battle? I'm too weeded to speak to

The only key that I see to defeat you

would be for me to remove these two Adidas and beat you

and force feed you 'em both, and on each feet is a cleat shoe

I'll lift you off your feet so fast with a roundhouse

you'll think I pulled the fuckin ground out from underneath you

(Bitch!) I ain't no fuckin G, I'm a cannibal

I ain't tryin to shoot you,

I'm tryin to chop you into pieces and eat you

Wrap you in rope and plastic, stab you with broken glass

and have you with open gashes strapped to a soakin mattress

Coke and acid, black magic, cloaks and daggers (ahhh!)

Fuck the planet, until it spins on a broken axis

I'm so bananas I'm showin up to your open casket

to fill it full of explosive gasses

and close it back with a lit match in it

while I sit back and just hope it catches

Blow you to fragments

Laugh, roll you and smoke the ashes

Yo, speed racer, 97' burgundy Blazer
Wanted for burglary, had to ditch the mercury tracer
I'm on some low ish,
I'm fed up wit the being broke ish
I'm not to joke wit
Bitch, I don't sell crack, I smoke it
My brains dusted; I'm disgusted at all my habits
Too many asprin tablets and empty medicine cabinets
Loosing battles to wack rappers 'cause I'm always too blunted
Walkin' up in the cypher smokin', talkin' like, "Who want it?"
Thug and crook; every drug in the book I've done it
My 9's at your frame, is that your chain? Run it
Who wants to die of an overdose of excessive flavor?
Aggressive nature got me stickin' you for your Progressive pager
Spectacular, battle rap manufacturer
Stole your mom's Acura, wrecked it, then sold it back to her
The doctors you'll need after our battle are known as psychiatrics
I'll tell the nurses to hold a bed for you,
and I'ma make sure you come back for it
So barricade your infants, put up some extra fences
A woman beater, wanted for repeated sex offenses
..Take em' on long vacation trips
Kidnappin' em' and trappin' em' in abusive relationships
Mess up your face and lips
Slit your stomach and watch your gut split
Gut you wit that razor that I use to shave my nuts wit
Mama don't you cry, your son's too far gone
I'm so high, I don't even know what label I'm on
I'm messed up, feelin' like an over worked plumber
I'm sick of the crap, what's Dr. Kevorkian's phone number
(dilated peeps sample)

When tha worst comes to worst
My peoples come first
When tha worst comes to worst
My peoples come first
When tha worst comes to worst
My peoples come first
When tha worst comes to worst
My peoples come first
When tha worst comes to worst
My peoples come first

(Eminem)

I come in here spitting
With nine rifting non-fiction
Rappers try to step to this
With no prediction
And now I'm bashing and crashing
And thrashing
I hate rappers with a passion
When I'm chilling next to DJ Fashion
Aiiyyo
I need a f***ing Kleenex
Before I die like withered pheonixes
When I'm chilling with Felix
Hit em with the freestyle...

(scratches)

I'm homicidal, and suicidal with no friends
Holdin a gun with no handle, just a barrel at both ends
Sprayin tecs at you until you see your fuckin legs
with the bullet holes and the exit wounds layin next to you
Fuckin mad dog, foamin at the mouth
Fuck mouth, my whole house, is foamin at the couch
Jumped out of the 93rd floor of a building
and shot every window out on the way down to the ground (keep filming)
Woke up to a hospital staff, got up and laughed, chopped em in half
Suffocated the oxygen mask

Shit if I get any higher, I'ma get the East and West beefin again
Slide back to Detroit and stand in the crossfire
(dilated peeps sample)
When tha worst comes to worst
My peoples come first
When tha worst comes to worst
My peoples come first
When tha worst comes to worst
My peoples come first
When tha worst comes to worst
My peoples come first
(South Park's Eric Cartman)
"How would you like to suck my balls" (repeat until end)
