

# EMMA, 02 Miles To Light

Living this moment!  
Till it's gone!  
No looking back now!  
Authority kills!  
Don't look back!  
I don't play by the rules!

Life's closing in real slow  
The balance draws near  
Closer  
It draws near

Everything's etched in stone  
What can I do!?  
Repent my youth!  
Everything etched  
What can i do!?  
Repent my youth!

4-3-2-1!

This past too fast  
Don't judge me harsh!  
This bodies balanced  
Don't judge me harsh!

Now!  
Save me!  
Now!  
Die!  
Now!  
Take mine!  
The one you loved!  
The one!  
The one!

Save!  
Savior!  
Liberate!
