

# Emma Bunton, Amazing

Look at me  
Tell me what you see  
Does he please you and make you go weak at the knees

I don't know  
How you know  
But I guess it might show that my eyes are in paradise

Can it really be  
That you're here with me  
Are you touching me now or is this pure fantasy

Are we in a dream  
Then let us be

No don't wake us from this kinda bliss  
Cos we never had love that feels like this

You're so amazing  
You're so unbelievable  
You're so incredible to me  
You're so amazing  
Just so unbelievable to me  
And if I hold you  
I know I'll never, never, never let you go

Can you hear me now  
Like I'm whispering  
In a voice dipped in honey that's making your heart want to see

Yes I hear you now  
Like a cooling breeze  
On that hot summer night that we met back in paradise

When I hear you sing  
There's a tingling  
Like a million fingers caressing me over my skin (harmony)  
Are we in a dream  
Then let us be

No don't wake us from this kinda bliss  
Cos we never had love that feels like this

You're so amazing (you're so amazing)  
You're so unbelievable (so unbelievable)  
You're so incredible to me (incredible, incredible, yeah/to me)  
You're so amazing (you're so amazing)  
Just so unbelievable to me (so unbelievable/yeah-oh yeah)  
And if I hold you  
I know I'll never, never, never let you go  
(I'll never let, I'll never let you go/I'll never let you go)
