Emma Bunton, Free Up Your Mind

Let the music free up your mind Free up your mind

Hey, you, over there I know you got a problem, but don't despair See, me, I had no soul Til I found myself with a rock and roll

There must be somethin' that you're longing to be Give in to the rhythm let the music free up your mind

Let the music free up your mind And it will help you to find Let the music help you to find The beat will give you a sign Let the music free up your mind Free up your mind

Hey, you, over there Don't wanna hear the reasons 'cause I don't care See, me, believe in you Gotta help yourself if you're gonna do

There must be somethin' you're longing to say Give in to the rhythm, let the music free up your mind

Let the music free up your mind And it will help you to find Let the music help you to find The beat will give you a sign Let the music free up your mind Free up your mind

Hey you Hey you Hey you, ooo Hey you Hey you Hey you Free up your mind

Hey, you, over there I know you got a problem, but don't despair See, me, I had no soul Til I found myself with a rock and roll

Rock and roll Roll, roll, roll, roll, roll, roll, roll, roll Free up your mind

Let the music free up your mind And it will help you to find Let the music help you to find The beat will give you a sign Let the music free up your mind Free up your mind

Repeat

Hey you Hey you Hey you, oooo Hey you Hey you Hey you

Let the music free up your mind
