

Emma Bunton, Something Tells Me (Something's

something tells me somethings going to happen tonight
ive read in the papers that gemini people will make it tonight
stars will be shining my sign is alining with love
so come on and make it lets take everything that weve bin dreaming of

oh baby some thing tells me somethings going to happen to you
the smile on my face is the smile you were wearing a moment or two
so get it together you see its gonna be alright
something tells me somethings gonna happen tonight

oh i woke up this morning with sunshine through my window
everything thts happened so far has turned out right
and i got every reason to feel its goin better
its getting better every minute wait till we meet tonight

oh baby some thing tells me somethings going to happen to you
the smile on my face is the smile you were wearing a moment or two
so get it together you see its gonna be alright

something tells me somethings gonna happen tonight
