## Emma Bunton, Something Tells Me (Something's

something tells me somethings going to happen tonight ive read in the papers that gemini people will make it tonight stars will be shining my sign is alining with love so come on and make it lets take everything that weve bin dreaming of

oh baby some thing tells me somethings going to happen to you the smile on my face is the smile you were wearing a moment or two so get it together you see its gonna be alright something tells me somethings gonna happen tonight

oh i woke up this morning with sunshine through my window everything thts happened so far has turned out right and i got every reason to feel its goin better its getting better every minute wait till we meet tonight

oh baby some thing tells me somethings going to happen to you the smile on my face is the smile you were wearing a moment or two so get it together you see its gonna be alright
