

# Emma Bunton, We're Not Gonna Sleep Tonight

Ooh, uh-huh, yeah

Something 'bout your friends are always there for you  
Help you with your bad times and they'll see you through  
Being with a man is never quite the same  
Cos we just have some fun and really play the game

I don't know where will go  
But I know we're gonna stop the show

Girls are on the town tonight  
Nothing can stop us  
You can see it in our eyes  
That we're not gonna sleep tonight

We're gonna get down tonight  
See if we can make you blush  
We can be mysterious  
And we're not gonna sleep tonight

Tonight, we're not gonna sleep

We will find the time to party all night long  
Now that we're together we just can't go wrong  
Dancing in the street and making lots of noise  
People wanna join especially the boys

But there's no way, it's just the girls  
For tonight, we're in our own world

Girls on the town tonight  
Nothing can stop us  
You can see it in our eyes  
That we're not gonna sleep tonight

We're gonna get down tonight  
See if we can make you blush  
We can be mysterious  
And we're not gonna sleep tonight

We're not gonna sleep  
We're not gonna sleep tonight  
Tonight  
We're not gonna sleep tonight  
Yeah-hey  
We're not gonna sleep

Girls are on the town tonight  
You can see it in our eyes  
That we're not gonna sleep tonight

We're gonna get down tonight  
We can be mysterious  
And we're not gonna sleep (yeah)

Girls on the town tonight  
Nothing can stop us (can stop us)  
You can see it in our eyes  
That we're not gonna sleep tonight (woo!)

We're gonna get down tonight (gonna get down tonight)  
See if we can make you blush (see if we can make ya blush)  
We can be mysterious  
And we're not gonna sleep tonight

We're not gonna sleep tonight  
(We're not gonna sleep tonight)  
We're not gonna sleep  
We're not gonna sleep tonight (tonight)  
(We're not gonna sleep tonight)  
We're not gonna sleep tonight
