

Emmanuelle Seigner, Distant Lover

Distant Lover
Where have you been?
I need you right here
In front of me

Such a killer
It's such a sin
Oh won't you look
What you've done to me

Why can't I touch you
Whenever I want to?
Why can't I hold you
Anytime at all?

You've been gone gone
gone gone too long
gone gone gone gone too long
gone gone gone gone too long
gone gone gone gone too long
You've been gone gone
gone gone too long
gone gone gone gone too long
gone gone gone gone too long
oh, my Distant Lover
