

EMO, On It (piosenka z filmu 365 Dni: Ten Dzień)

You don't carry a gun
But you shoot me down
Not a first time
Mmm mm

I care about us
I care about you
Just show me something girl
Don't treat me like a fool

I don't care if I lose it all
I feel the cold of the nightfall

Try to be a good guy
But acting like a monster
Nobody knows me better than you
I don't care If I lose it all

In your diamond eyes
See my reflection as If through a fog
Oh

You locked me up
You don't care what I feel
Just say something girl
And set me free

'Cause you know I'm in
On it
On it
On it
Mm
On it
On it
On it
On it
On it
On it

I rry to be a good guy
But acting like a monster
Nobody knows me better than you
Got no control, got me so
Got me so

I don't care if I lose it all
