

Empire Of The Sun, ALIVE

Days go by my window
World slows down as it goes
Goodbye to last night
Lost love out of sight
Can't you help me see? (They won't get right)

Loving every minute cause you make me feel so alive
Alive
Loving every minute cause you make me feel so alive
Alive, alive, alive

Waking in the snow
Tracing steps with you
Swimming through the snow
Wrapped in, proud we'll go
Can't you help me see? (They won't get right)

Loving every minute cause you make me feel so alive, alive
Loving every minute cause you make me feel so alive, alive
Alive, alive, alive

Can you feel it's call through me
I'm the one that you seek
All you need is so much, I'm just waiting on
Freedom is within you
Giving makes us feel good
Hello to our people
Say hello to the future
Freedom is within you
Giving makes us feel good
Hello to our people
Say hello to the future

Loving every minute cause you make me feel so alive, alive
Loving every minute cause you make me feel so alive, alive
Alive, alive, alive
Loving every minute cause you make me feel so alive
Alive
Loving every minute cause you make me feel so alive
Alive, alive, alive
