

# En Vogue, Back To Life, Back To Reality

Back to life, back to reality  
Back to life, back to reality  
Back to life, back to reality  
Back to the here and now yeah  
Show me how, decide what you want from me  
Tell me maybe I could be there for you

However do you want me,  
However do you need me  
How, however do you want me,  
However do you need me.  
However do you want me,  
However do you need me  
How, however do you want me,  
However do you need me.

Back to life, back to the present time,  
Back from a fantasy yeah  
Tell me now, take the initiative  
I'll leave it in your hands until you're ready oh

However do you want me,  
However do you need me  
How, however do you want me  
However do you need me,  
However do you want me  
However do you need me  
How, however do you want me  
However do you need me

However do you need me  
However do you need me  
However do you need me  
However do you need me

I live at the top of the block,  
No more room for trouble or fuss  
Need a change, a positive change look  
Look it's me writing on the wall  
However do you want  
However do you

Back to life, back to the day we have  
Let's end this foolish game  
Hear me out, don't let me waste away  
Make up your mind so I know where I stand
