

# En Vogue, How Deep Is Your Love

I see your love in the morning sun.  
I feel you hold me in the pouring rain.  
And the moment that you wander far from me,  
I wanna be in your arms again.

And you come to me on a summer breeze,  
Keep me warm in your love, then you softly leave.  
And it's me you need to show: How deep is your love?

Is your love how deep is your love?  
I really need to learn 'cause we're living in a world of fools  
Breakin' us down, when they all should let us be.  
We belong to you and me.

I believe in you. You know the door to my very soul.  
You're the light in my deepest, darkest hour.  
You're my savior when I fall.  
And you may not think that I care for you,  
When you know down inside that I really really do.  
And it's me you need to show: How deep is your love?

Is your love how deep is your love?  
I really need to learn 'cause we're living in a world of fools  
Breakin' us down, when they all should let us be.  
We belong to you and me.
