

En Vogue, Some Day My Prince Will Come

Someday my prince will come

(Some day my prince will come)

(Some day my i'll find my love)

(Some day, some day)

I said, some day my prince will come

(Some day, some day)

Oh oh oh yeah

Someday my prince will come

Someday I ll find my love

And how thrilling that moment will be

When the prince of my dreams comes to me

He'll whisper 'I love you', ah

And steal a kiss or two

Though he's far away I'll find my love someday

Someday when my dreams come true

Ah come true

(Some day, some day)

I said, some day my prince will come

(Some day, some day)

Someday I'll find my love

Someone to call my own

And I know in the moment we meet

For my heart will be skipping a beat

Someday we'll say and do

All things we've been longing to

Though she's far away I'll find my love someday

Someday when my dreams come true

(Somewhere)

Said somewhere, waiting for me

(Waiting for me) There is someone

(There is someone) Longing to see

(Longing to see)

Someone I simply can't help ...

Someone who thrills me forever more

Ahh

(Some day, some day)

I said, I'm gonna find my love some day

(Some day, some day)

I said, I'm gonna find my love, my love some day

(Some day, some day)

I said, some day I'm gonna find my love

(Some day, some day)

I said, he I been waitin waitin for me
