

# Enchantment, Gloria

Gloria  
My Gloria  
Things ain't been the same  
Since you went away

Gloria  
My Gloria  
I don't want to see  
Another day

It seems like  
Only yesterday  
I beheld your sweet face  
And In my lonely room  
My memories of your embrace

Gloria  
My Gloria  
Things ain't been the same  
Since you went away

Gloria  
My Gloria  
I don't want to see  
Another day

Isn't it funny  
How time can change  
All the things you want to believe  
But time won't change  
The way I feel  
Cause in my mind  
Its you and me  
You and me

Gloria  
My Gloria  
Things aint been the same  
Since you went away  
(I just cant go on)

Gloria  
My Gloria  
I don't want to see  
Another day

(So lonely girl)

Isn't it funny  
How time can change  
All the things you want to believe  
But time won't change  
The way I feel  
Cause in my mind  
Its still you and me  
You and me

Gloria  
My Gloria  
Things ain't been the same  
Since you went away

Gloria  
My Gloria

I don't want to see  
Another day

I don't want to see another day  
Without your love  
I don't want to see another day  
It's a real sad thing  
But I don't want to see another day  
Without your love  
I don't want to see another day  
Its gonna hurt me  
But I don't want to see another day
