

Engelbert Humperdinck, Love Will Set You Free

o graceful and pure, a smile bathed in light
No matter the distance, a miracle of sight
Though I should have known, I could not turn away
When faced with your beauty no reason can stay

As you kissed him in the moonlight
With heavy words I say:
If you love someone, follow your heart
Cause love comes once if you're lucky enough
Though I'll miss you forever, the hurt will run deep
Only love can set you free.

Trust in your dreams, and run with no fear
And if you should stumble remember I'm near,
As a ghost I will walk, I'll look deep in my soul
I might find another, you gave me that hope.

So, as you kissed him in the moonlight
With heavy words I say:
If you love someone, follow your heart
Cause love comes once if you're lucky enough
Though I'll miss you forever and the hurt will run deep
Only love can set you free.

And if you love someone, follow your heart
Cause love comes once if you're lucky enough
Though I'll miss you forever, the hurt will run deep
Love will set you free.
