## Enrique Iglesias, I'm Your Man

You can be a million miles away from me You can be kissin` another man`s lips But I'm your man, I'm your man If tomorrow would stay behind And my eyes that never wake up I'm still your man, I'm your man I pray to God, I pray for time I pray I can hold you in my arms Pray with me eternally Time is forever ours It's the way that you smile The way that you cry Why I always want to be your man It's the way that I feel, when I feel you inside Why I always want to be your man You can be a million miles away from me You can be kissin` anoth-er man`s lips But I'm your man, I'm your man They can take away my heart and my soul They can even tell me you don't love me no more But I'm your man, I'm your man I won't give up, I won't let you down I promise to always stand by your side Pray for faith, pray for you Pray that we'll always be It's the way that you smile The way that you cry Why I always want to be your man It's the way that I feel, when I feel you inside Why I always want to be your man It's the way that you're weak It's the way that you're strong Why I always want to be your man It's the way you believe It's the love that you give Why I always want to be your man I pray to God, I pray for time I pray I can hold you in my arms Pray with me eternally Time is forever ours It's the way that you smile The way that you cry Why I always want to be your man It's the way that I feel, when I feel you inside Why I always want to be your man

It's the way that you're weak It's the way that you're strong Why I always want to be your man It's the way you believe It's the love that you give

Why I always want to be your man It's the way that you're weak It's the way that you're strong Why I always want to be your man It's the way you believe It's the love that you give

Why I always want to be your man
