

Enrique Iglesias, Ring My Bells

(Piano Intro)

Ring my bell, ring my bells..
Ring my bell, ring my bells..
Ring my bell, ring my bells..
Ring my bell, ring my bells..

Sometimes you love her
Sometimes you don't
Sometimes you need it then you don't and you let go..

Sometimes we rush it
Sometimes we fall
It doesn't matter baby we can take it real slow..

Coz the way that we touch is something that we can't deny
And the way that you move oh it makes me feel alive
Come on

Ring my bell, ring my bells..
Ring my bell, ring my bells..
You try to hide it
I know you do
When are you ready? Need up come and get to

You move me closer
I feel you breathe
It's like the rose disappears when you around me oh

Coz the way that we touch is something that we can't deny oh yeah
And the way that you move oh you make me feel alive so
come on

Ring my bell, ring my bells..
Ring my bell, ring my bells..
Ring my bell, ring my bells..
Ring my bell, ring my bells..

Say you want, say you need
I can do by your face know the way it turns me on

I say you want, I say you need
I will do all your things I would never do you wrong

Coz the way that we love is something that we can't fight oh yeah
I just getting up oh you make me feel alive so come on

Ring my bell, ring my bells..
Ring my bell, ring my bells..
Say you want say you need
Ring my bell, ring my bells..
Ring my bell, ring my bells..
say you want say you need
Ring my bell, ring my bells. (Fade out)
