Enrique Iglesias, The World Crashes Down

You make me strong You make me weak You lift me off my feet You give me hope When all my dreams Seem like they're out of reach You make me understand The way the perfect love Should be You take me to a place So high I never wanna leave Sometimes I think All of the things I should have said I hope it's not too late I wanna make you understand If the world crashes down over me I know that my life is complete 'Cause I've held you In my arms all night 'Cause I can't imagine Life without you by my side You whisper in my ear the words " Just hold me close tonight " And when the pain is holding me Your love just sets me free
