## Equinox Ov The Gods, I.M.A

Sprinkle eyes with grains of sand Follow me into my land Sleep now, child, close your eyes Take my hand and away we fly

Here ends reality as you know it The night is here with a gift for you You've heard them whisper in the closet You've seen them lurk under your bed

Here ends reality as you know that You're on your own on the dreampath now Grains of sand in your eyes and You float away, so far away

Now i lay me down to sleep I pray the lord my soul to keep If i should die before i wake I pray the lord my soul to take

You fade from reality No string attached In my arms No turning back You float away So far away
