

Era, Don't Go Away

Gratias agimus
Agimus tibi
Propter magnam gloriam
Propter gloriam tuam
Domine Deus, Rex coelestis
Oh Domine Deus!
Pater omnipotens

Don't go away, don't go away
Forever and ever we'll go on
Don't go away, don't go away
There's no other place where you belong
Don't go away

Oh Domine Deus!
Pater omnipotens

Don't go away, don't go away
Forever and ever we'll go on
Don't go away, don't go away
There's no other place where you belong
Don't go away, don't go away
I've given to you all my love
Don't go away, don't go away
Forever and ever we'll go on
