## Erasure, Catch 22

If I seem nervous will you show me what to do? And does the world deserve us? Application rushing through

A long time coming Yes, it's been a long time coming

My loving you is a place where I surrender In my heart, it's not hard to do And all my worldly goods I give to you

We close our eyes and chase away the sorry things You make it easy for me, life is but a dream

Cried on your shoulder Dove into the great blue yonder

And my loving you is a place where I surrender Touch my heart, it's not hard to do And all my worldly goods I give to you Loving you is a place where I surrender In my heart, no catch 22 And all my worldly goods I give to you

No misdemeanour There's a ring upon my finger

My loving you is a place where I surrender In my heart, it's not hard to do And all my worldly goods I give to you Loving you is a place where I surrender Touch my heart, no catch 22 And all my worldly goods I give to you
