Eric Clapton, Bad Boy

(Bonnie Bramlett and Eric Clapton)

[Chorus:]
I'm just a bad boy,
Long long ways from home.
I'm just a bad boy,
Long long ways from home.
But I ain't got nobody
To bury me when I'm dead and gone.

Well I'm the cat that scratches And I'm like a dog that bites. I'll be your box of matches, baby, When you need a light.

[Chorus]

I used to have a little girl, Only 16 years old, But her mom and dad put me way out, Way out in the cold.

I can't stay here no longer, My luck is running slow. Gotta keep on moving But I ain't got no place to go.

[Chorus]
